Summer Psalms: Hope from History Psalm 114

I take hope in Jesus' scars. From the perspective of heaven, they represent the most horrible event that has ever happened in the history of the universe. Even that event, though – the crucifixion – Easter turned into a memory. Because of Easter, I can hope that the tears we shed, the blows we receive, the emotional pain, the heartache over lost friends and loved ones, all these will become memories, like Jesus' scars. Scars never completely go away, but neither do they hurt any longer. We will have re-created bodies, a re-created heaven and earth. We will have a new start, an Easter start.
